

Your Hampton Community Library keeps exceeding expectations! Over the years, we have offered a variety of programs and new technologies with the Hampton community in mind. We maneuvered our way through the pandemic and went “all in” in 2022 with indoor and outdoor programming for children and adults, welcoming everyone back with a smile.

Our “Wonder” Filled Mornings program exceeded our expectations! We offered this program twice a week with over 30 children attending regularly. The “Wonder” Filled Mornings became so popular we added an additional session in the fall. Our Trivia Night and Souper Bowl Challenge saw more than 200 participants to help support Summer Reading. We also brought back our traditional in-person summer reading program and added more children and adult programs. The numbers speak for themselves: over 900 children and adults participated, reading more than 10,000 books in the summer. Hampton Community Library offered a variety of programs from cooking to playing cards, scrapbooking to chess club, and just plain discussing the news. There truly was something for everyone!

In 2022, more than 30,000 Allegheny County residents visited our library or attended a program and 159,000 items (books, magazines, audios, movies, e-downloadables) were checked out! New types of materials, including STEAM kits for children and Playaways and Launchpads for preschoolers, help with early learning development.

Will you help us to continue to “Exceed Expectations?” Your generous support makes all this possible! September is LOVE YOUR LIBRARY Month and all donations made in September are generously matched on a prorated basis by the Jack Buncher Foundation. Every dollar counts!

We are here to serve you and hope you will continue to enjoy the many benefits the Hampton Community Library offers. Thank you for being part of our library family and part of what makes Hampton a special place!
