

The Hampton Community Library (HCL) extends a heartfelt thanks for the unwavering support and enthusiasm of our community. Your dedication to the HCL has enabled us to continue our mission of providing access to knowledge, fostering a love for reading, and offering enriching programs for all ages. In 2023, HCL circulated an impressive total of **155,447** items, with **103,800** of those being items such as popular books, new DVDs, STEAM kits, Wonderbooks, and Launchpads. Over **3,700** children and adults attended **258** programs ranging from storytime sessions for our youngest patrons to educational workshops and cultural events for adults. These numbers reflect not only the vibrancy of our library but also the deep-seated desire within our community to connect, learn, and grow together.

As we look ahead to the future, we remain steadfast in our dedication to serving **you**, our valued community members.

All-year-round, it is through the generosity of individuals like you that we are able to continue offering the high-quality services and programs that define our library. Whether it's providing new books for our collection, funding innovative programming initiatives, or maintaining our facility, every dollar makes a difference.
